

PRETTY PRETTY PENDANTS

Summoning help with the touch of a button!

This lightweight, attractive pendant requires five seconds to switch from a wristband into a necklace, allowing your customers to look good and feel safe knowing help is merely a button press away.

The pendant is available in many different patterns and designs, giving your customers multiple options over the usual drab colored pendants. Our unique One-Click Wristband/Necklace provides added flexibility allowing users to easily switch between wearing a wristband or necklace, without hassle.

Fully waterproof and lightweight, your customers can wear the pendant anywhere, in the shower, bath or in the garden.
